

SmartFridge 50 Slim - Solid Black Door

SmartFridge, an innovative product from Minibar Systems, redefines hotel in-room convenience refrigeration technology with benefits for both guests and hotels. The control panel lets guests use the fridge when needed and can be shutdown when not needed, saving up to 50% of specified energy consumption. SmartFridge is the leading eco-friendly guest convenience refrigerator.

Hotels are now able to offer guests the amenity they ask for and benefit from our fundamental commitment to develop sustainable products.
